

Please join Peggy Stevens, Founder and Program Director of

Kids4Peace Boston

February 12, 2012

ICB Wayland

Join us in teaching our children to take small steps towards peace and understanding.

11:15 Presentation to 6th graders (who have the opportunity to participate in the program, July, 2012)

11:45 Presentation for adults about the program & its impact in Jerusalem

Last summer, two children from ICB were members of the very first Kids4Peace Boston program. Come see pictures of the children at a summer camp in New Hampshire, swimming, playing soccer, climbing a mountain, doing woodworking and crafts and then spending time in the Boston area where they introduced their new friends to the sites and visited a synagogue, church, and mosque.

Learn about the Kids4Peace organization, an interfaith organization aimed at fostering friendships and creating peace among Jewish, Muslim, and Christian children from Jerusalem and from the Boston area.

Applications are now being accepted for Kids4Peace Boston's second summer program:

July 6-12 Camp Merrowvista in the Lake Region of New Hampshire

July 12-17 Bentley University
